

It is correct, you have hear it right,
There is no courage left on banca.

For I'm calling the one who on the banca,
Is corageous enough to take on the gighest debt of the history. Waajacu
owns the absolute behaviour of payment; as you, who for this —
who know how to own sufficient of the banca, to have courage
enought to take the deal —on an sence Waajacu own the repect
to witch is . —

Lied about it, never did your resources reached my villages.
The problem was not the money, but the absence of labour.

Does comes by Waajacu's calls for non conflict behaviour,
Could we be able to substain the debt of an infinite value.

Waajacu's sure's absolut about for it to own the public shame of debt,
For value of payment and labour for in as much as you on the deal have
the abillity to deliver massive amount dutty for hybdrudizing
the behicle locomotion regullar mechanics system.
